\$60B+ in Payments Processed Through Our Platform Annually

Get ready to unlock growth with a payments solution your gamers will love. With self-service onboarding, easy tax compliance, and top-notch fraud protection, Tipalti Mass Payments has everything you need to scale your game worldwide.

Pay Anyone, Anywhere, Anytime

- End-to-end capabilities that scale with you as you grow
- Pay gamers, developers, and affiliates in 196 countries, 120 currencies via 50+ payment methods
- Easily onboard new affiliates with a customizable, user-friendly, self-service platform
- Best-in-class security and advanced fraud controls to protect your business
- Automated global tax compliance to reduce errors and late filings

Customer Success Stories

- Saw a 95% drop in the workload for payee onboarding, compliance, and payments.
- Got rid of the need for extra back-office help.
- Let payees pick their preferred payment methods and currencies.

"Our payout data is massive. With Tipalti, we don't have to think about it, it just happens."

GREG KAMPANIS

SVP Operations and Business Development
Omnia Media

- Automated global payments, managed exchange rates, and nailed tax compliance.
- Boosted efficiency while saying goodbye to payment delays and errors.
- Set up in-game cash payouts for a seamless player experience.

"We're strong believers in cash payouts. Pairing our technology with Tipalti's payment solution creates a one-stop shop for game developers looking to engage and reward players effectively."
